16. And every even # row you will Purl all stitches when working graph.

17-60 Start chart working from Right to Left and Purling all even (wrong side) rows. Be sure to change colors every 21 stitches to keep your color pattern. Also make sure when you change colors you twist the previous color and the new color in back of your work so that you will not end up with holes where you change colors.

61. Do a 3 needle cast off, sew up side of purse seam, sew in ends and block purse. Use a piece of black fabric to fit for the lining and sew in place.
